PROFILE

Front-end developer with an unconventional background and over 10 years of professional experience in diverse roles, including project and team management. Built a strong portfolio of modern, responsive web applications using HTML, CSS, JavaScript, and React, including projects with integrated APIs and AI features. Quick to learn, highly adaptable, and solution-oriented, with a keen eye for detail and a passion for creating intuitive, user-friendly interfaces. Excited to contribute to innovative products, collaborate with cross-functional teams, and continuously grow in a fast-paced, cutting-edge tech environment.

TECHNICAL SKILLS

Languages & Frameworks: HTML, CSS, JavaScript, React

Tools & Workflow: Git, VS Code, Figma, Tailwind, npm/yarn

Other relevant skills: Responsive design, problem-solving, project management
